

Who is Jesus?

About the Project

- **The purpose of this project is to spread the Gospel of Jesus Christ throughout the world using the visual media. Project partners and sponsorship will be welcomed. This DVD is an excellent gift for your church, Bible study group, family, friends, and, of course, yourself. We would like to encourage all churches, media groups, businesses and individuals to take hands with us in this project over the Christmas season this year. Help us tell the world who Jesus is...this year in a time of much confusion and many religious views. Let us sound a clear call to all in need of the only Saviour and introduce them to Jesus Christ!**
- **Churches, organization, ministries, businesses and individuals can use this amazing tool as an outreach project this Christmas and share this message with everyone they know. A church program, study guide, creative ideas and bulk tract DVD's of this film will be available for groups to give this DVD away as a witnessing track. The Retail DVD is now available in Christian retail stores nationwide in South Africa and tract DVDs are available to the public, churches, businesses, ministries and organisations to purchase in bulk and to distribute for free.**
